 SUBJECT ...

PARIS FOR EM GSY, STORASH, MCGUIRE

Quadrupartite consideration being given here to informing NATO of selection by Four Powers particular non-military countermeasures as appropriate for use event interference, with access. Intention would be suggest priority for NATO consideration these measures. Could be done either by:

- 1) Formal statement by one Power or FOLAD on behalf of Four in MAC or FOLAD meeting; or 2) informal unilateral statement by one or more representatives of Four Powers in these or other contexts, such as Working Group on Economic Countermeasures.

Particularly in view current degree dissatisfaction in NATO re Berlin planning, Dept would appreciate your views timing and method such approach. UK, French and Germans understood be making similar request their NATO Representatives.
